Goliad County									
Business Recruitment	Regional partners should use their resources to target appropriately-sized businesses for their communities. (i.e. rural communities should target businesses with workforce and skill requirements commensurate with those provided by the local community).	●●● High	6 - 12 months	\$	★ Easy	Goliad County	VEDC, City, County	Prospect Business Size, Prospects, Projects, Capital Investment, Job Creation	Local EDOs should consider the needs of each prospective business and focus efforts on attracting businesses whose needs match the assets that their county provides. This includes matching infrastructure, workforce, and real estate needs of prospects to local communities. Local EDOs should focus their efforts on business where their region or location meets the Critical Location Factors (CLF) of the industry / business.
Business Recruitment	Explore redevelopment of Coletto Creek Power Plant as it is set for closure.	●●● High	6 - 12 months	\$\$\$	★★★ Challenging	Goliad County	VEDC, City, County, Utility	Prospects, Projects, Capital Investment, Job Creation	This Power Plant is being decommissioned and exploration of highest and best use is needed to determine the best targets for this site, which will have great infrastructure. Industries to be explored are green/blue hydrogen, carbon sequestration, bitcoin, etc.
Business Recruitment	Need to update and streamline the development and permitting process.	●●● High	6 - 12 months	\$	★★★ Challenging	Goliad County	City, VEDC, Tourism	New Development Process, Number of Building Permits, Faster Building Permits, Shorter Rezoning Times, Prospects, Projects, Job Creation, Capital Investment	Through our interviews, we heard that Goliad's Planning and Development processes were confusing, cumbersome and had lengthy wait times. Explore updating and revising the policies to make development easier for those investing in the community and county.
Business Retention & Expansion	Coordinate with VEDC on business retention efforts.	●●● High	6 - 12 months	\$	★ Easy	VEDC, Goliad County	Cities	Number of Retention Visits, Number of Expansion Inquiries, Capital Investments, Job Creation	Use the resources and staffing that VEDC offers to assist in retaining businesses in the county and help existing businesses to expand. Be available to attend these visits with VEDC when they need your assistance. Be ready to provide assistance and answers to the companies when they come up in those BRE visits.
Infrastructure	Work to bring broadband and fiber connectivity and reliability throughout the County.	●●● High	1 - 2 years	\$\$\$	★★ Moderate	Utility	VEDC, City, County, State, Federal	Budget, Visits, Meetings, Contacts, Prospects, Investment, Jobs	To move toward more white collar jobs, fiber infrastructure must be accessible and reliable throughout the region. This includes residential access for inclusion of the remote worker population. This will also grow in importance as manufacturers become more automated and open up the region for data centers and other office and tech projects. This has increased in importance with Work From Home (WFH) and at home schooling due to COVID.
Marketing	Hold a competition for photography so you can have high resolution beautiful imagery.	●●● High	6 - 12 months	\$	★★ Moderate	Goliad County	City, VEDC, Tourism, Businesses, Residents, Chambers, Students	Photos, Ambassadors, Contacts, Prospects, Events, Meetings, Visits	Hold a photography contest for a local calendar and/or social media. You need good quality, high resolution imagery that you can use in your marketing materials, social media campaigns and website. The contest will allow you to access a large number of photos without having to pay significantly for licensing for usage.
Organizational	Hire a dedicated Economic Development staff person to help with recruitment and retention efforts or contract with VEDC to provide these services.	●●● High	6 - 12 months	\$\$	★★ Moderate	Goliad County	VEDC	New Employee Starts, Proactive Economic Development Initiatives, Prospects, Projects, Job Creation, Capital Investment	If Goliad plans to actively participate in Economic Development activities, the City and County need to consider hiring a dedicated Economic Development professional that can change the efforts from reactive to proactive. If not willing or able to hire a direct staff person dedicated to Economic Development, the City and County should consider contracting with VEDC to provide their proactive economic development services.
Placemaking	Make the Goliad visitor guide downloadable from Main Street Goliad website. Currently you can only view, no downloads.	●●● High	6 - 12 months	\$	★ Easy	Goliad County	VEDC	Downloads, Visitors, Increase Sales Tax	The Goliad Visitors Guide is on the Main Street Goliad website but it is not downloadable. It would be nice to have this as a downloadable document for tourists have bring with them or have in hand in case fiber is undependable.
Regional Collaboration	Monthly Regional Partners meetings for networking, team building and information sharing. Once a quarter regional hosting event to learn about regional assets.	●●● High	6 - 12 months	\$	★★ Moderate	VEDC, Regional Partners	City, County	Meetings, Events, New Messaging, Prospects	Have a monthly Regional Partners meeting to grow and create the needed cooperation between regional partners and VEDC. Must have a defined agenda with clear outcomes. Quarterly turn one of these meetings to a hosted event in one of the Regional Partners locations where you focus on learning about a regional partner asset like a Port or Business tour. Encouraging Regional Partners to expand their messaging and using the regions assets in their selling and prospecting.

Workforce	Begin tracking high school and post-secondary students' post graduation plans.	●●● High	6 - 12 months	\$	★★ Moderate	K-12, Universities/ Colleges	Workforce Board, Residents, Businesses	Graduates, Programs, Contacts, Local Employment, Relocations Back to Community, Population Growth, Educational Attainment	Track graduates to determine if they plan on attending higher education locally or out of the region or pursuing certificate programs or technical training that could be brought back and paired with local companies open positions. Ensure local graduates know about open positions in the community they can return to after graduation.
Infrastructure	Identify additional sites with adequate infrastructure in Goliad County, both publicly and privately owned.	●● Medium	1 - 2 years	\$\$	★★ Moderate	City	Local Brokers / Owners, Utilities, VEDC	New Sites Added to Database, Meetings, Prospects, Projects, Capital Investment, Job Creation	Work to identify additional sites in Goliad County that can be used to market the County. Gather the information required to add these sites to VEDC's site database. Be sure to work with the site owners / brokers to make sure they have available infrastructure and costs to bring utilities to those sites so everyone is clear on the opportunity and the costs related.
Marketing	Create a regional map highlighting the county's position. Post it on your website and have print copies available for site selectors and company prospects.	●● Medium	0 - 6 Months	\$	★ Easy	Goliad County	VEDC	Map in place and easily accessible, Page Visits, Prospects, Projects, Capital Investment, Job Creation	Create a map of the county and put it on your website. First, the map should help orient site selectors and companies to your location within the State of Texas and the region. You should also include major assets available in your counties such as regional airports, ports, hospitals and maybe even major employers.
Workforce	Work with university, colleges and vocational schools to establish or grow training options that align with the identified target industries and current existing industries.	●● Medium	1 - 2 years	\$\$	★★ Moderate	Universities/Colleges	Workforce Board, K - 12, Businesses	Programs, Meetings, Contacts, Participants, Graduates, Certificates	It will be important to develop a pipeline of training programs, certificates and degree plans that serve the target industries that have been identified. It will be imperative that these programs be sustainable and scalable.
Marketing	Update your websites and link to the VEDC website. Encourage VEDC do the same, especially for sites and buildings queries.	● Low	1 - 2 years	\$	★★ Moderate	Goliad County	VEDC, City, County	Number of EDOs/Cities/County/VEDC listed, Reciprocal links, Website Visits, Meetings, Prospects, Projects, Capital Investment, Job Creation	Provide links to Local EDO website. This cross linking will help with Search Engine Optimization (SEO) for both websites. Provide a page of content that the VEDC can put on their website so those that visit VEDC's website can learn about your County. from VEDC webpages to show the organization's strong relationship with regional economic development teams. Referencing to VEDC's website clarifies the partnership and shows that the community collaborates toward a common goal to attract companies in the region. Reciprocal linking and links to government sites are actually a booster in Search Engine Optimization (SEO) and will provide a bump to both websites through this approach.
Workforce	Develop mobile workforce training centers to train workforce in rural areas.	● Low	2 - 3 years	\$\$\$	★★★ Challenging	Universities/Colleges	Workforce Board, K - 12, Local Businesses, VEDC, Regional Partners	Number of Mobile Training Centers, Trainees Enrolled, Programs Offered, Graduates, Certificates	Given the region's lack of transportation options, VEDC and the regional counties should consider working with local college and universities to create mobile training centers that can provide training to rural residents in their locations. These types of training centers can create a skilled workforce in an underperforming rural community increasing the pipeline for prospective new business and existing employers. This would fill an existing gap and create economic prosperity for these areas and residents.
