## Quality of Life

### **Victoria Texas - Quality of Living....There's no better place to be than right here, right now!**

For businesses looking to expand or relocate, Victoria is an ideal option. The Golden Crescent area truly provides the good life for business with an excellent business climate and an attractive, affordable lifestyle. In Victoria, small town values survive and a sense of community permeates every activity.

Residents enjoy the best of both worlds as Victoria combines the best of city living while surrounded by the majestic beauty of Texas' rolling plains. Victoria has all the amenities of larger communities including great shopping with local, regional and national merchants, an acclaimed symphony, community theater and regional ballet company, museums, a 12-screen cinema complex and more.

Victoria is an outdoor enthusiast's paradise with hunting, fishing, bird watching, swimming and water sports available year-round and just a short drive away. Just a few miles outside of Victoria, Patriot Park offers fishing, swimming and picnic areas in a lovely 95-acre park setting. Just a few miles further south of town, families from throughout the state enjoy a wonderful variety of outdoor recreation opportunities at Coletto's 190-acre park and reservoir.

For those wanting to enjoy a weekend in the 'big city', Victoria is located approximately 2 hours drive from four major metropolitan communities - Austin, Houston, San Antonio and Corpus Christi.
